

ABDULLAH HAMMOUD:

A PROVEN CHAMPION FOR DEARBORN

Abdullah will fight for our community and put Dearborn families first.

Abdullah has a plan and the experience to get it done:

- The most robust COVID-19 recovery plan for our city to protect public health and rebuild our local economy.
- Five part plan to lower property taxes for working families and improve community services.
- Improve road safety to keep our kids and residents safe.

As Dearborn's state representative, Abdullah Hammoud has fought tirelessly for our community, working across the aisle to protect our health from dangerous pollution, fund our schools and boost our local economy.

ABDULLAH'S PROVEN TRACK RECORD:

Working on the frontlines for us

When extreme rainfall flooded our homes and basements, Abdullah was there. He rolled up his sleeves, working with the community to perform wellness checks and help residents clear out damage from flooding.

Champion for our air and water

In 2018, Abdullah worked with the community to organize a petition to stop a local corporation from adding more than 1,000 tons of pollution to our air and water.

In 2020, Abdullah worked with community leaders and city council to pass an ordinance reducing air pollution from polluting corporations in our city.

A public health expert and proven leader

Abdullah Hammoud is an epidemiologist and public health expert. He has the expertise and experience to find solutions to improve public and mental health.
